**INBOUND PROCEDURES**

Aircraft shall approach the Racecourse from the East to avoid over flying the main area of the Racecourse. On approaching the area contact shall be made with Doncaster Racecourse Radio to check the helipad is open, no racing is in progress and no horses are on the course or in the parade ring. After making an approach and landing at the HAP follow the marshalls instructions to a parking position. When on the parking position with rotors running a constant listening watch must be maintained on Doncaster's frequency in case the aircraft is required to shut down due to a race commencing.

**OUTBOUND PROCEDURES**

Before engine start a call must be made to Doncaster Racecourse Radio to obtain permission for 'engine start'.

# HELICOPTER LANDING AREA
